

Veritas Student Information System (SIS)

Parent's Quick Start Guide

Introduction: The Veritas Academy Student Information System gives parents of Veritas students 24/7 access to the school academic calendar and student information, schedules, and grade books!

Logging In: Getting on the system is easy. Just open your internet browser and go to www.veritasacademy.org. There is a link to the SIS on the Veritas Academy home page, in menu in the left margin: **Student Info System** 

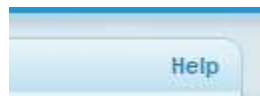

Enter your Username: _____

And Password: _____

Write and save your username and password in the blanks above. If you lose or forget this Information, you will have to call the office.

Tutorial Videos and Help: To view videos on how to use the Veritas SIS, click the media icon to the right of the SIS link. To get help on any page of the SIS system, simply click the “Help” link in the upper right of any page of the SIS. Links to the videos are also embedded within the help files on each page.
